For the information, lymntech do not save Independent Study download books free pdf on our hosting, all of book files on this hosting are found through the syber media. We do not have responsibility with content of this book.

In the series debut *The Testing*, sixteen-year-old Cia Vale was chosen by the United Commonwealth government as one of the best and brightest graduates of all the colonies . . . a promising leader in the effort to revitalize postwar civilization. In *Independent Study*, Cia is a freshman at the University in Tosu City with her hometown sweetheart, Tomas—and though the government has tried to erase her memory of the brutal horrors of *The Testing*, Cia remembers. Her attempts to expose the ugly truth behind the government’s murderous programs put her—and her loved ones—in a world of danger. But the future of the Commonwealth depends on her.
