Iâ€™m Emerson, and my â€œto doâ€• list is longer than Iâ€™d like. You might wonder what kind of woman comes up with a sex bucket list? Answer â€™ the kind whoâ€™s been in a sex drought, has two crazy girlfriends encouraging her, and one too many bottles of wine.

This kind of list requires special skill. And I have just the man in mind to help me. Heâ€™s younger. So that checks one thing off my list. And heâ€™s the kind of man every woman should sleep with at least once in her life. The kind of man who knows his way around a womanâ€™s body. And God, Iâ€™d like him to know mine.

Armed with new lingerie and a fancy high-tech vibrator, Iâ€™m taking charge. Of love, of life, and my libido. How hard can that be? Well, judging by the rate of pole dancing injuries, I might be in trouble.

But how much trouble can one woman get in? Giving your panties to a stranger isnâ€™t illegal in Georgia, is it?
