Kayla is a 16-year-old girl who was adopted when she was little. She lives a normal life, with great friends, loving adoptive parents, and well... a not-so-great boyfriend. But the reason why she was given up for adoption was far from any usual reason. She was meant to be kept away from the Academy and anything else related to the supernatural beings that could hurt her.

Unfortunately for Kayla, it was only a matter of time before she encountered the creatures from the Otherworld, and there is just no running away from the beings that she can now see.

In trying to protect Kayla by keeping her away from the Academy, she may have just been put in even more danger.
